Why did the fisherman put peanut butter into the ocean?

Why are teddy bears never hungry?

How do bees get to school?

What do librarians take with them when they go fishing?

What starts with a P and ends with an E and has a million letters in it?

What did the paper say to the pencil?

Why did the music teacher need a ladder?

Why do fish live in salt water?

What do you call cheese that is sad?

What goes up and down but does not move?

Simply cut and share!
They are always stuffed!  To go with the jellyfish!

Bookworms.  By school buzz!

Write on!  Post Office!

Because pepper makes them sneeze!  To reach the high notes.

Stairs.  Blue cheese.
